

# Setup MC

 **Business Registration**

FROM

\$150

Our Business Registration service provides comprehensive support to ensure your trucking business is established correctly. We offer:

- Assistance with obtaining your Motor Carrier (MC) Number
- Handling all necessary paperwork and legal documentation
- Ensuring compliance with Federal Motor Carrier Safety Administration (FMCSA) regulations
- Obtaining your USDOT Number
- Expert guidance and professional assistance throughout the process
- Assistance in choosing the right authority (e.g., common, contract, or broker authority)
- Guidance on selecting the appropriate type of hauling (e.g., general freight, hazardous materials, household goods)

 **MC & USDOT Registration**

FROM

\$300

Our MC & USDOT Registration service provides comprehensive support to ensure your trucking company is properly insured and compliant with all FMCSA regulations. We offer:

- Assistance with forming LLCs and incorporating (Inc)
- Handling all necessary paperwork and legal documentation
- Obtaining your Federal Employer Identification Number (FEIN)
- Ensuring compliance with federal, state, and local requirements
- Expert guidance and professional assistance throughout the process
- Quick and efficient processing to get your business registered promptly

 **Assistance with Insurance**

FROM

\$125

Our Assistance with Insurance service ensures your trucking company secures the best possible coverage and complies with all FMCSA regulations. We provide:

- Assistance with finding the best insurance quotes for your company
- Checking and recommending reliable insurance agents and companies
- Ensuring your insurance meets FMCSA requirements
- Quick and efficient processing to get your registration approved promptly

 **Lawyer Assistance**

FROM

\$100

Our Lawyer Assistance service provides comprehensive support to ensure drivers receive the best legal representation tailored to their specific needs and circumstances. We offer:

- We assess each driver’s unique situation to match them with the most suitable lawyer, ensuring personalized and effective legal representation.
- Our broad network of experienced lawyers specializes in traffic violations and related legal issues, guaranteeing access to professionals with the right expertise to handle a wide range of traffic cases effectively.
- We simplify the process of finding a lawyer by handling all the research and initial contact, saving drivers time and avoiding the stress of searching for and vetting potential lawyers on their own.
- Beyond just matching drivers with lawyers, we offer continuous support and follow-up to ensure satisfaction with the legal representation provided. This includes checking in on case progress and assisting with any additional legal needs that may arise.
